Steve: Daily POLREPs are now being issued out of the ICP in Farmington. Here's a link to the website to see them. [http://www.epaossc.org/R9\\_SanJuanRiverResponse](http://www.epaossc.org/R9_SanJuanRiverResponse)

I've attached the last one they issued.

I'll make sure you are included in any of our regional updates that go out. We are trying to get those going again, and out by 1000 ea. day. We are dependent of getting the info from the field 9we are in the regional EOC) so it's been a bit challenging at times.

I'm not sure if daily Sit-reps are still going out, but this is the last one I received. Please put me back on the list or provide me with the appropriate contact. Thank you.
